

Approved VET Credit Transfer Arrangements

The below table includes all credit transfer arrangements approved by the Commonwealth Government making VET FEE-HELP available on the listed Southbank qualifications.

Regardless of which VET course of study you are enrolled in, or its individual articulation arrangement; your course is approved for assistance under the VET FEE-HELP scheme as a result of these agreements.

Please be advised that in some cases this represents only one of the many credit arrangements in place with our university partners. For further information regarding credit and articulation pathways please see
