## Policy

### 1.0 Background and General Guidelines

Students who withdraw from their studies after the Census Date or who do not complete the requirements for their VET unit/s of study can apply in special circumstances to have their FEE-HELP balance re-credited, or upfront payments refunded. SBIT should advise the student when they withdraw from studies that they may apply, in writing, for a re-credit of their FEE-HELP balance and a remission of their VET FEE-HELP debt. A student cannot apply if they have successfully completed the VET unit/s of study.

SBIT must, where it is satisfied that special circumstances apply, either;

- re-credit a student's FEE-HELP balance with an amount equal to the amount of VET FEE-HELP assistance that the student received for the VET unit/s of study;
- or refund any upfront payments made by the student prior to the Census Date.

Where applications for re-credit or refund are successful, any academic penalty previously applied against the VET unit of study will be removed.

If a student's FEE-HELP balance is re-credited, any VET FEE-HELP debt they acquired for the VET unit/s of study must be remitted and SBIT must repay any amounts of VET FEE-HELP assistance for the VET unit/s of study to the Commonwealth.

A student's VET FEE-HELP debt in relation to a VET unit/s of study is taken to be remitted if the person's FEE-HELP balance is re-credited.

A student's application to re-credit their FEE-HELP balance must be made, in writing, within 12 months of their withdrawal date, or, if the student has not withdrawn, within 12 months of the end of the period of study in which the VET unit/s of study was, or was to be, undertaken.

SBIT must re-credit or remit if SBIT is satisfied that special circumstances apply to the student that were:

- beyond the person's control; and
- did not make their full impact on the person until on, or after, the Census Date; and
- made it impracticable for the person to complete the requirements for the unit in the period during which the person undertook, or was to undertake, the unit.

Special circumstances do not include, for example:

- lack of knowledge or understanding of requirements under VET FEE-HELP; or
- a person's incapacity to repay a VET FEE-HELP debt, as repayments are income contingent and the person can apply for a deferral of a compulsory repayment in certain circumstances.

SBIT should consider a student's application, and notify the student, in writing, of its decision and the reasons for making the decision, within 25 days of receiving the application.

Decisions regarding the re-crediting of a student's FEE-HELP balance are reviewable decisions. In addition to notifying a student of its decision and the reasons for making the decision, SBIT must also advise the student of their rights for a review of the decision if the student is unsatisfied with the outcome. The student must be advised that the time limit for applying for a review of a decision is 28 days from the day the student first receives notice of the original decision. Reviews will be made to the Institute Review Panel, consisting of the Director Product Innovation, relevant Faculty Director and Manager Student Services.

Where a decision results in the re-crediting of a student's FEE-HELP balance and/or the refund of a student's up-front payments, SBIT must notify DEEWR through the 'Revisions File'. SBIT is required to repay to the Commonwealth any amounts of VET FEE-HELP assistance SBIT received from the Commonwealth on the person's behalf.

Under the [VET Provider Guidelines](#), SBIT's review procedures must be published, publicly available and up-to-date.

### 2.0 Responsibilities

## 2.1 Student

Any student of SBIT who is eligible for a loan to assist with the cost of their tuition fees under VET FEE-HELP; and who withdraws from a VET unit of study after the Census Date, or does not complete the requirements for a VET unit of study, may apply to SBIT to have their FEE-HELP balance re-credited due to special circumstances. The '[QF139](#) Application to Re-credit FEE-HELP Balance – VET Students' must be submitted within twelve months of the student's notice that a withdrawal has been processed, or if the student has not withdrawn, or does not complete the requirements of the unit, from the end date for that unit.

Should a student be dissatisfied with the outcome of their initial application they are entitled to submit an '[QF141](#) Application to Review a Re-credit Decision'. This must be lodged within 28 days from the date the student first received notice of the original decision. This request for review will be considered by the Institute Review Panel.

## 2.2 FEE-HELP Officer, Student Services

The FEE-HELP Officer, Student Services must assess the '[QF139](#) Application to Re-credit FEE-HELP Balance – VET Students', and acknowledge receipt of this in writing. They will inform the applicant that this may take up to 25 business days to process and that the applicant will be advised in writing of a decision.

The FEE-HELP Officer will consider the application with all evidence supplied and make a decision to either grant, or deny a re-credit of the applicant's VET FEE-HELP debt. This decision will be based on the applicant's evidence that special circumstances have applied i.e. circumstances which were beyond the applicant's control; did not make their full impact on the person until on, or after, the Census Date; and made it impracticable for the person to complete the requirements for the unit in the period during which the applicant undertook, or was to undertake, the unit.

Following the FEE-HELP Officer's decision, they will seek the endorsement of the Faculty Registrar, and provide written advice to the applicant regarding the outcome of their application. Should the application be unsuccessful, advice to the applicant will notify them of their right to submit a '[QF141](#) Application to Review a Re-credit Decision' and the relevant time limit of 28 days for submission.

The FEE-HELP Officer is responsible for updating all relevant information systems, and processing any associated change enrolments.

## 2.3 FEE-HELP Coordinator, Student Services

The FEE-HELP Coordinator is responsible for maintaining all quality documentation and updates around the re-credit and remission process. The FEE-HELP Coordinator will provide advice to all SBIT staff in the application of this process, and will manage student communications regarding reviews of re-credit decisions, on behalf of the Institute Review Panel.

Should a '[QF141](#) Application to Review a Re-credit Decision' be submitted, the FEE-HELP Coordinator is responsible for providing the applicant's acknowledgement receipt, and compiling the Institute Review Panel's documents.

The FEE-HELP Coordinator will keep all records of individual re-credit and review cases, and be the contact point with DEEWR should a student engage in an appeal process with the Administrative Appeals Tribunal (AAT).

## 2.4 Faculty Registrar

The relevant Faculty Registrar is responsible for the review and authorisation of the FEE-HELP Officer's recommendations using the '[QF186](#) Assessment of Application to Re-credit FEE-HELP Balance'.

The Faculty Registrar will coordinate the completion of the '[QF005](#) Change Enrolment' advice, which will be used by the FEE-HELP Officer to process all ISAS and ISAS FEE-HELP data.

Both documents are to be returned to the FEE-HELP Officer, within specified timeframes.

## 2.5 Institute Review Panel

The Institute Review Panel is responsible for reviewing and reconsidering the original decision made by the FEE-HELP Officer in consideration of a student's 'QF139 Application to Re-credit FEE-HELP Balance – VET Students', assessing any further information provided in the 'QF141 Application to Review a Re-credit Decision' and documenting this in the 'QF186 Assessment of Application to Re-credit FEE-HELP Balance'.

The panel has available options of:

- (a) confirming the decision;
- (b) varying the decision; or
- (c) setting the decision aside and substituting with a new decision.

The Institute Review Panel will document and communicate the outcome to the FEE-HELP Coordinator, who will be responsible for providing written notice to the applicant.

## 3.0 Reviewable VET Decisions

Decisions regarding re-crediting a student's FEE-HELP balance are reviewable (reviewable VET decisions) [*HESA* Schedule 1A cl91]. A review of a decision may be requested by the person affected by the original decision or without a request if SBIT is satisfied that there is sufficient reason to do so.

A request for review of decision must normally be based on:

- new evidence, not known to the student at the date of the decision being reviewed, which becomes apparent since the date of that decision;
- irregularity of procedure in the recommending and/or the making of the decision being reviewed.

### 3.1 VET Provider Review of Decision

SBIT is required to appoint a 'review officer' who is not the same officer who made the original decision and who occupies a position that is senior to that occupied by the original decision-maker. At SBIT, the original decision maker/s of a decision relating to the re-crediting of a student's FEE-HELP balance is the FEE-HELP Officer, Student Services. The 'review officer', responsible for reviewing decisions relating to the re-crediting of a person's FEE-HELP balance is represented by the Institute Review Panel.

The applicant must state the reasons why they are applying for a review.

If a person's application for review of a decision is successful, the written notice will include the reasons for the decision to re-credit the applicant's FEE-HELP balance, and details of any upfront payments towards tuition fees that will be refunded (if applicable), along with a new Commonwealth Assistance Notice.

In the case of an unsuccessful application, the written notice will advise why the Institute Review Panel has concurred with the original decision and inform the applicant of their right to appeal to the Administrative Appeals Tribunal (AAT) for a further review of the reviewer's decision if the applicant is unsatisfied with the outcome, as well as provide contact information of the nearest AAT registry and the approximate costs of lodging an appeal.

The Institute Review Panel, via the FEE-HELP Coordinator, Student Services, is required to:

- (a) acknowledge receipt of the request for a review and inform the applicant that the applicant will be advised of the result within 45 days
- (b) reconsider the decision with the options available to:
  - confirm the original decision;
  - vary the decision; or
  - set the decision aside and substitute a new decision;
- (c) notify the applicant, in writing, of the decision and the reasons for making the decision;

- (d) advise the applicant of their right to appeal to the Administrative Appeals Tribunal (AAT) for a review of the reviewer's decision if the applicant is unsatisfied with the outcome; and
- (e) provide the applicant with the contact details and address of the nearest AAT registry and the approximate costs of lodging an appeal, which are as follows:

**Deputy Registrar  
Administrative Appeals Tribunal (AAT)  
Level 4, Commonwealth Law Courts  
Corner North Quay & Tank Street  
BRISBANE QLD 4000**

**Phone: 07 3361 3000 / 1300 366 700  
Internet: [www.aat.gov.au](http://www.aat.gov.au)**

**Current approximate cost of lodging an appeal: \$682.00** (this cost will be the responsibility of the applicant).

### 3.2 Reconsideration by the AAT

A student may make an application to the AAT for a reconsideration of SBIT's decision to refuse to re-credit their FEE-HELP balance, and may supply additional information to the AAT that they did not previously supply to SBIT.

The Secretary of DEEWR, or the Secretary's delegate, will be the respondent for cases that are before the AAT. When DEEWR receives notification of an application to the AAT it may choose to review the original decision. Once DEEWR has received notification from the AAT that the person has applied for the reconsideration under section 37 of the [Administrative Appeals Tribunal Act 1975 \(AAT Act\)](#), the Secretary will, within 28 days, lodge the following documents with the AAT:

- (a) a statement setting out the findings on material questions of fact, referring to the evidence of other material on which those findings were based and giving the reasons for the decision; and
- (b) every document or part of a document that is in SBIT's possession or under the reviewer's control and is considered by the reviewer to be relevant to the review of the decision by the AAT.

Upon receipt of a notification from the AAT, DEEWR will notify SBIT, in writing, that an appeal has been lodged. To enable DEEWR to meet the 28-day timeframe, SBIT **MUST, within a further 5 business days** of being requested, provide DEEWR with copies of all the documents it holds that are relevant to the appeal. These documents should be sent to DEEWR by courier or Express Post to meet the 5 day requirement. SBIT will keep any originals and copies of the documents in accordance with its normal record keeping practices.

Under Schedule 1A of the *HESA*, SBIT may still reconsider matters that are before the AAT (i.e. at any time up until the AAT makes a final decision) and must advise DEEWR if a decision is made to re-credit a person's FEE-HELP balance. However, until a person withdraws their AAT appeal, or the appeal is dismissed or otherwise dealt with by the AAT, DEEWR is still required to comply with the requirement under section 37 of the *AAT Act* to lodge the statement, and relevant documents described at (a) and (b) above, with the AAT. Therefore, SBIT must still forward all relevant documents to DEEWR within the 5 business days, unless advised not to do so by DEEWR. DEEWR will deal with cases from that point and advise SBIT of the outcome.

### 4.0 Privacy

All information and documentation supplied to SBIT by applicants will be treated confidentially and in accordance with the Queensland Government's Privacy Policy and Procedures.
